

Welcome to 2021 !

Please find attached the draw for Sunday 28th Members Day. Please have a look to see where I have allocated you a job. You will see there are a few reserves, if you are one of these riders, please keep an ear out for any calls for help.

A few housekeeping notes -

We need to check in via the Nominate App. The QR code will be on the front gate, gear check and the Office. It is probably easiest to add any additional spectators, support crew etc to your app before leaving home. You also need to Check out, no need to scan, just a tap on the App for a Check out.

Kym, an EA Steward has volunteered to attend the day to help you feel more confident in gear checking. Take advantage and drop in to say hello and learn the ropes so you are ready to give the job a go in the future.

Baz from Coffee with a Smile will be onsite from 7.30 til 11. Cold drinks will be available from the office.

Unfortunately, we were unable to source a canteen for the day, so feel free to bring a picnic and have a chat, get to know other members.

Horse Health Decs need to be handed into Gear Check (under the tree between indoor and outdoor sand) prior to riding.

Yards - if you have pre nominated or are paying on the day, please note the number of the yard you are using and drop into the office to let us know which yard is yours. The numbers may be a bit faded, but I will have a map if you get stuck finding the number. Yards need to be cleaned before departure.

Wash bays - please clean after use.

We have 2 set ups - one will be 8am Sat for the Grass arena and one Sat afternoon after the clinic for the Indoor. Stay tuned for a time for the afternoon one. Help is greatly appreciated, it gets everyone home quicker.

Pack up is for everyone. Presentations will be held after pack up is complete.

Feel free to email me with any questions, but please text scratchings to 0448 849 886

Cheers and looking forward to a wonderful year ahead.
